- [in](#) korhanakcay

EXPERIENCE

- **Magspin Transparent Ceramics**
Internship
I offered to make a project for my internship. We agreed on topic as analyzing the quality of material from it's strength. I learned to work multidisciplinary and manage a project.
2021 Summer
- **TCDD**
Internship
I graduated from Railway system technologies in Ataturk Mesleki ve Teknik Anadolu Lisesi. That year I learned how work places works, technical stuffs and to do things best I can.
2015-2016

EDUCATION

- **Bachelor's Degree Statistics**
Eskisehir Technical University
2017-2022
GPA:2.63
- **Railway System Technologies**
Eskisehir Ataturk Technical Anatolian High School
2012-2016

CERTIFICATE

- **Certificate of Honor**
Eskisehir Technical University
2019-2020 (Spring Semester)
- **Data Visualization in R**
Datacamp
#21,941,692
- **Six Sigma - Green Belt**
ESTU-FORD OTOSAN ACADEMY

PROJECT

- **THE PERFORMANCE OF BAYESIAN ESTIMATORS IN WIND SPEED MODELLING**
Undergraduate Thesis
In this study, the performance of Bayesian estimators with the maximum likelihood method, one of the classical parameter estimation methods, was investigated in the modeling of wind speed. Bayesian estimates are obtained using the Lindley approach based on a Jeffrey prior knowledge. The results showed that the Bayesian estimators is good performance in modeling the wind speed.

SKILLS

- **Programming**
R
SQL(PostgreSQL)
SPSS/Minitab
LaTeX
Microsoft Office
C
- **Language**
English (Upper-Intermediate)

HOBBIES & INTERESTS

- Data Science / Machine Learning / Data Visualization
- Business Analytics
- Improvize Theathre
- Table Tennis Referee
- Teach a class
